Rattle of a Simple Man

by Charles Dyer

Produced with permission of Samuel French, Inc.

A friend bets Percy £50 that he will not spend the night with a prostitute and do his duty like a man, so he goes home with Cyrenne. When her brash jokes and open suggestiveness fail to bring Percy up to scratch, the two start chatting and gradually, a bond grows between them. A gentle blend of humour, sentiment and emotion, the play depicts with charm and perception how loneliness can drive people to opposite extremes.
